Remarks

Here's your opportunity to own a quaint house in Milton with single level living that sits upon 3.61 acres. The sprawling landscape includes a large pole barn and two other out buildings that are in addition to the heating room/workshop/laundry area building which is just behind the main house. Inside the home you'll find a mud room with wood-burning stove, amply sized kitchen, 3 bedrooms, a full bathroom, living room and screened in porch. Don't hesitate to create your vision and expand the footprint onto this unusually large parcel. Brand New Boiler and septic system installed. Come make this ranch house your home.
